

PEACE & POLICE OFFICERS & LOVED ONES

OFFICER DOWN

What happens IF? What happens WHEN? How do we build strong families BEFORE?

Every year Minnesota officers are injured and killed in the line of duty. We go to work and hope it will never happen to us, but what if it does? Are you and your loved ones prepared?

Officers, family members and administrators, join us for this information packed training presented by Minnesota's leading peace officer and family support organizations. This day is guaranteed to give attendees critical information—all in one place.
